JACKSON INDUSTRIES (INDIA)

Hotel Guest Amenities & Concierge Products

About Us

Welcome to **JACKSON INDUSTRIES INDIA**, a distinguished company with a legacy spanning 150 years in India. We take pride in our rich heritage and unwavering commitment to excellence. We believe in the power of beauty and comfort. Our range of cosmetics and hotel guest amenities reflects our dedication to providing unparalleled quality and luxury. From carefully curated skincare products to exquisite toiletries, we strive to enhance the guest experience in hotels and resorts across the globe.

As a company deeply rooted in tradition, we remain committed to sustainable practices and ethical manufacturing. We constantly innovate and evolve, staying at the forefront of the industry trends and customer preferences.

We expanded our horizons by introducing **AQUA SHUI WATER**, a subsidiary brand created by the visionary trio of Gurdial Nayar, Namrata Nayar and Shweta Nayar. With their profound industry expertise, this father-daughters team has propelled the company to new heights.

Our guest amenities contain high quality ingredients and a pleasant fragrance. The pure and fresh design of our ranges co-ordinates with the decor of any hotel. All our products are made responsibly with sustainable and biodegradable materials.

Originated from the foundation stone of **JACKSON INDUSTRIES INDIA**, which accorded recognition to the entity, ever flourishing with the advancement of time & technology, a wide range of well-worked guest amenities to forward our care to the people.

AQUA SHUI WATER is a clean cosmetic skincare and guest amenities brand that takes inspiration from the rich Japanese skincare and hospitality. The name **AQUA SHUI** was chosen after the Japanese word "shu" which means "water" and is often used in the context of purity and skincare. **AQUA SHUI WATER** believes in the power of simplicity and nature-based ingredients.

Aquashui takes pride in crafting its products with safe, clean, and effective ingredients that are backed by cutting-edge technology.

Our mission is to provide high-quality, affordable, and amenities and skincare products that are crafted with natural and safe ingredients.

Soaps

Available in Different shapes and sizes

In the heart of a secluded village, Aquashui unearthed the ancient art of soapmaking. Inspired by the rich heritage of craftsmanship, they embarked on creating a collection of handmade soaps. Meticulously crafted by skilled artisans, each soap is a masterpiece of indulgence and purity.

The moisturizing casted soaps that envelop the skin in luxury to the delicate fragrances that transport guests to distant lands. Aquashui's handmade and moisturizing casted soaps bring the essence of timeless beauty to every guest's cleansing ritual. Each bar is a testament to Aquashui's dedication to elevating the guest experience through artistry and elegance.

Aquashui's hand made soaps are meticulously crafted using a blend of sugar, glycerine, coconut oil, palm oil, and other premium ingredients. To create these exquisite soaps, the artisans follow a traditional method of cold process soapmaking.

The oils and glycerine are carefully blended with a precise amount of lye, this process retains the moisturizing properties of the natural oils.

Aquashui's commitment to using premium ingredients and traditional craftsmanship ensures that each soap delivers a pampering experience for hotel guests, leaving their skin feeling soft, nourished, and refreshed.

The moisturizing, casted white soap bars are meticulously produced for our valued hotel guests. A precise blend of high-quality ingredients, including nourishing oils and gentle cleansing agents. The liquid soap mixture is then poured into molds and allowed to solidify.

The result is a collection of luxurious and moisturizing soap bars that effectively cleanse and refresh the skin. Our carefully selected ingredients leave a soft and smooth feel, ensuring a delightful bathing experience for our esteemed hotel guests.

This automated process ensures consistent quality, speed, and production capacity, meeting the demands of the hotel market effectively.

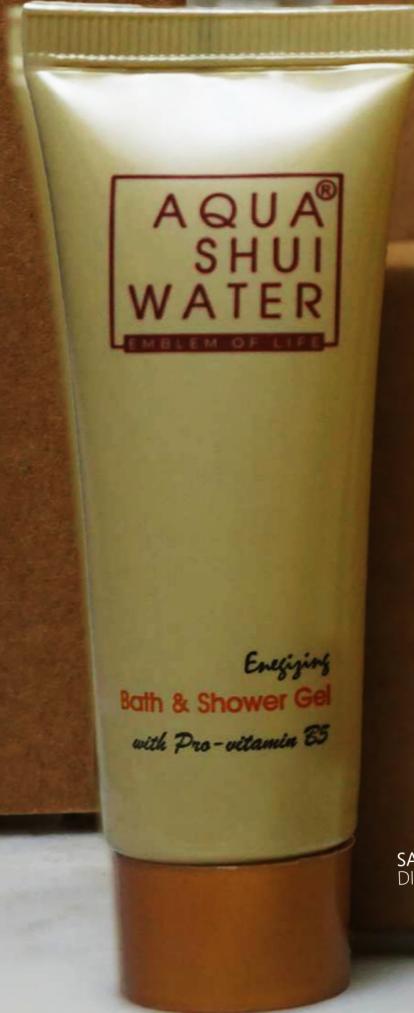

In the realm of timeless style and sophistication, John Player Special unveils its exclusive range of men's grooming products. Inspired by the iconic brand's legacy, this collection is a tribute to the modern gentleman's refined grooming rituals.

Crafted with precision and attention to detail, the shaving gel, Shaving cream and After shave gel offer a superior shaving experience, leaving the skin feeling refreshed and invigorated.

Immerse yourself in the essence of elegance with John Player Special, where each grooming product is meticulously designed to elevate the art of grooming and empower the modern man to make a lasting impression.

Shoe Care Kit

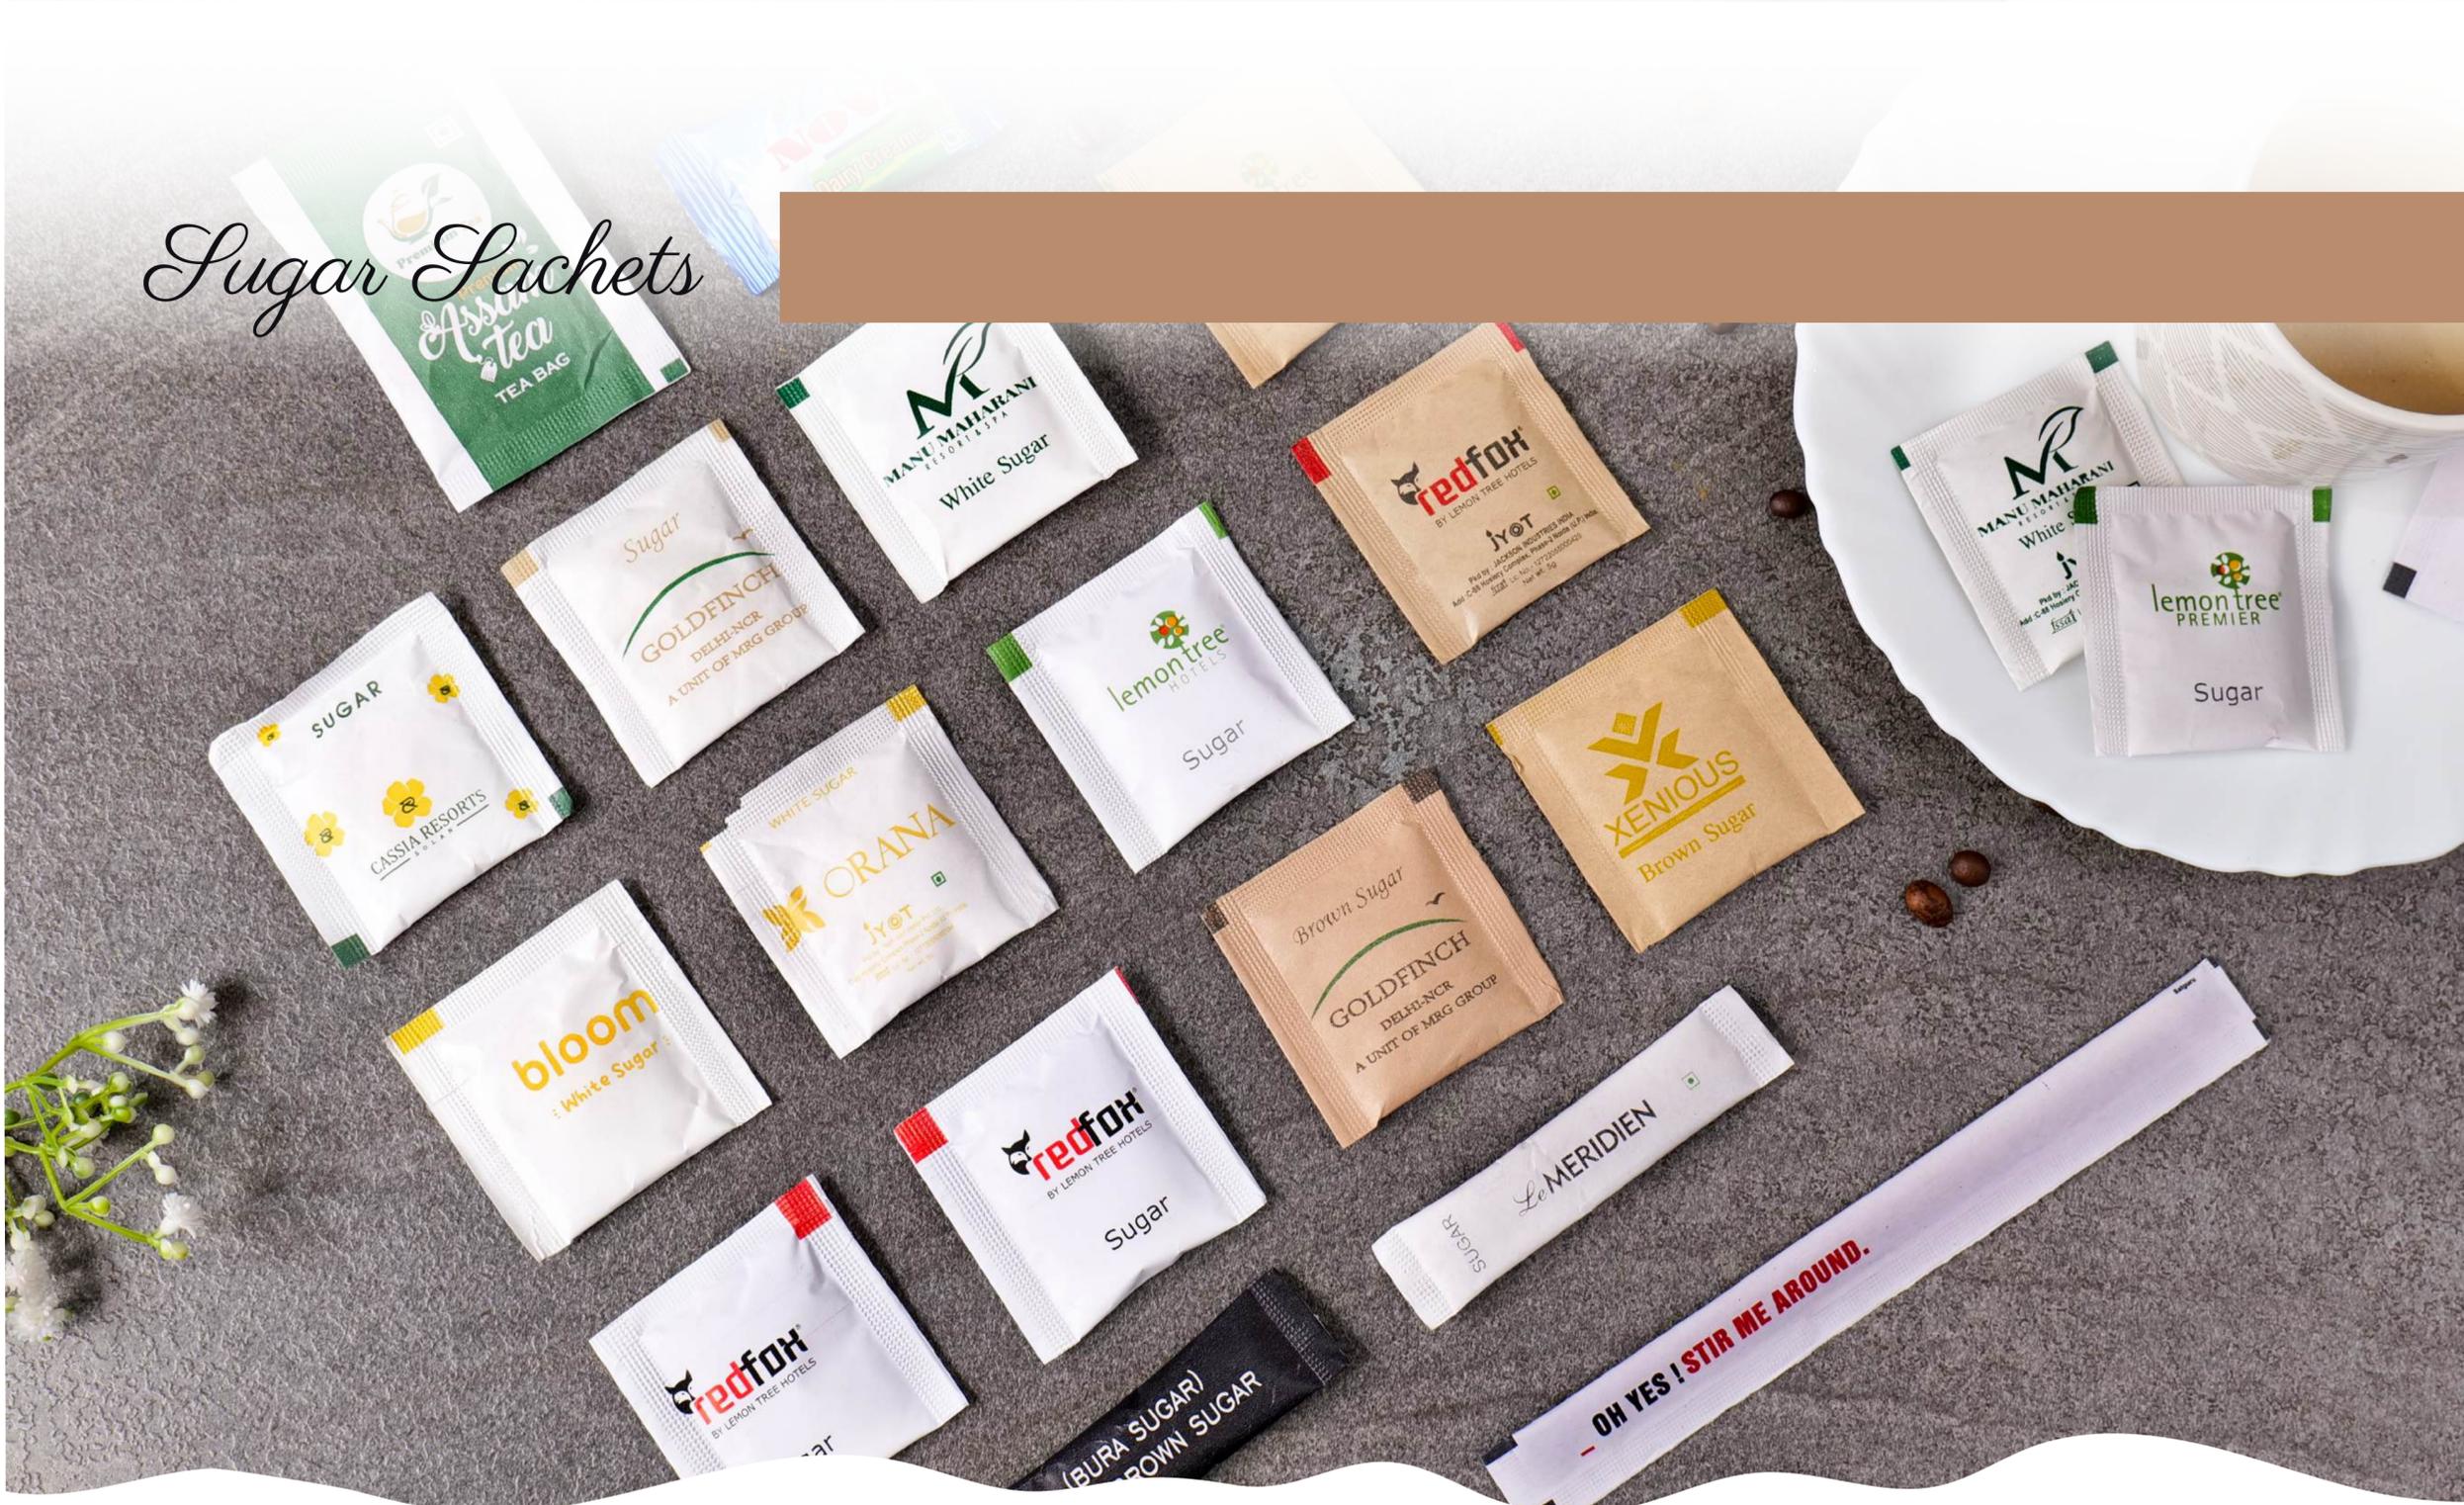

Aquashui water hotel amenities discovered a long-forgotten art: the care of exquisite footwear. Drawing inspiration from the elegance and attention to detail of a bygone era,

Aquashui curated a collection of shoe care essentials. From the shoe shiner that restores luster and the polishes, to the shoe inserter that eases a perfect fit, and the shoe mitt that caresses leather with gentle care, each item is crafted with precision and passion.

Aquashui water hotel amenities created this collection to honor the timeless tradition of impeccable footwear care, offering guests the opportunity to elevate their style and step into a world of elegance, one well-cared-for shoe at a time.

Sugar Sachets

In addition to their skincare offerings, Aquashui also presents meticulously designed sugar sachets that complement their philosophy of elegance and simplicity. The sugar sachets feature minimalist yet sophisticated packaging, reflecting the brand's commitment to clean aesthetics. Each sachet contains pure cane sugar, in white, refined and brown versions, carefully sourced for its quality and natural sweetness, enhancing the overall guest experience.

Aquashui's mission is to provide high-quality, affordable amenities and skincare products crafted with natural and safe ingredients, and the sugar sachets are no exception, offering guests a touch of Japanese-inspired refinement with every use.

Condiments Sachets

In line with their ethos of sophistication and minimalism, we also offer carefully designed condiments packets. These packets showcase a minimalist, yet elegant design, aligning with the brand's dedication to sleek aesthetics.

Salt, Pepper, Chilli, Oregano and Fennel Mints etc. are selected for its high quality and natural flavors, elevating the guest experience.

Disposable Cutlery

We also supply a range of disposables and wooden items for restaurants and hotels, including paper straws, spoons, forks, and toothpicks. These products offer a sustainable and eco-friendly alternative to plastics. The wooden spoons and forks provide a natural, rustic touch to dining settings, enhancing the overall dining experience with their elegance and simplicity. Ideal for establishments that prioritize environmental responsibility without compromising on style and practicality, our wooden items add a distinct charm to any table setting, reflecting a commitment to sustainability and quality.

Bespoke Mugs

We offer customized ceramic mugs adorned with brand names, tailored to embody your brand's identity with a personal touch. These bespoke mugs serve as a unique expression of your brand, enhancing visibility and engagement with every use.

Such personalized mugs can come in various shapes and sizes, catering to different preferences and uses, whether it be for a morning coffee or evening tea. The customization process allows for a high degree of creativity, enabling brands to convey their ethos, aesthetic, and message in a manner that resonates with their audience.

Perfect for corporate gifts, promotional items, or everyday use, our customized mugs are crafted with quality materials to ensure durability and satisfaction.
